

ELC News

Weekly Learning Update

Rainbows - This week the Rainbows have been learning about the emotions of babies. For example, why do babies cry? They also looked at weight and used dolls to weigh the babies in the baby clinic at our role play area.

Buttercups - This week the buttercups have been exploring space rockets. They have made lots of rockets by junk modelling, and watched videos of the inside of the space station. This has prompted lots of role play in our space station.

Blossoms - This week the Blossoms have been talking about dinosaur eggs. Lots of conversation about the size of the eggs and how they hatch. They have been exploring dinosaurs through small world play and role play.

Next Week

Rainbows - We will be discussing how we can help babies when they show different emotions. We will also be carrying on weighing and measuring the length of babies, using different scales.

Buttercups - We will be discussing what the different job roles in space are.

Blossoms - Will be discussing the differences between different dinosaur's eggs, e.g. size and colour.

End of Term Three:

All rooms will have the opportunity to learn about the story of Easter and why we celebrate Easter at this time of year.

Twinkle Twinkle Little Star

Well done Lily H for completing your personal learning step. You showed great understanding when learning about rhyming words.

Upcoming Dates

The ELC will close on Thursday 1st April at the usual time.

We hope you all have a lovely Easter break and we look forward to seeing you back on Monday 19th April.
