

# ELC News

## Weekly Learning Update

This week we have focused on wellbeing and emotions as we are settling back into nursery life. We have enjoyed being back with our friends and welcoming our new starts to Lochardil ELC.

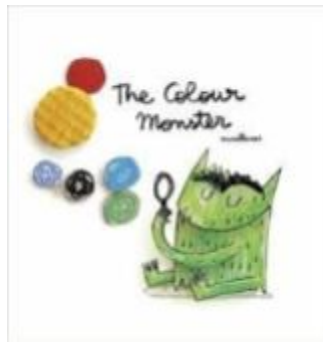

When we arrive at nursery we are encouraged to self register with how we are feeling today. This board has changed and is now based on the story 'The Colour Monster'. Using the colours and facial expressions of the different monsters it helps us recognise different emotions to and be able to talk about how we are feeling. :)

## Next Week

We will be focusing on world book day. We will start talking about what is involved in making a story. Discussing the author and illustrator. Each room will work together to create their own story over the coming weeks and we will share these as they are created.

We would like to remind you that your key worker will still be in contact with you via email. Please feel free to continue emailing your child's key worker if you have any questions.

Please pass on any achievements that your child has done at home to the key worker and they will display them on our WOW wall.

**"Play is our brain's favourite way of learning" -Diane Ackerman**

## Twinkle Twinkle Little Star

A big well done to everyone this week. You have all been superstars as we return to nursery.

### Contacts:

Tel - 01463 230250

### Upcoming Dates:

World Book Day - 4th March

Please feel free to come dressed as your favourite book characters.
