Friday 1st October 2021

Dear Parent/Carer

We are pleased to announce that we are ready to launch our new school website after the October holidays. We listened to your views regarding our current WordPress website becoming slow and difficult to work with, in order to find out the information that matters to you the most. As a result, we have created a Google Site, which is much more fit for purpose and really user friendly.

Google sites unfortunately does not have a subscribe feature like our WordPress site, so it would be beneficial for you to add the website to your favourites on your personal browsers at home so you can check in on any school developments regularly. As a school, we will also try to inform you if there are any important updates posted onto the website via email, to bring your attention to the new post. Therefore, we would be grateful if you could let the school office know if you have changed your email address, to ensure we have the most up to date details for you on our mailing list at school. This way you will not miss any important information and news coming from the school.

The new website address that we will be using from **Monday 25th October** is in the link below:

<https://sites.google.com/invernessroyalacademy.org.uk/lochardilprimaryschool/home>

Alongside our new website, we will also continue to keep using our established Google Classrooms as learning platforms and forms of communication with our pupils and their parents/carers. We do hope you will enjoy using this new website and find it useful in browsing all the fantastic learning experiences going on across our school. As always, your opinion and views are important to us, so any feedback you may have regarding the new website will be gratefully received and acted upon accordingly.

Yours Sincerely

Head Teacher
